Salt Lake City, UT 84111

Dear Mark:

I understand that you have notified the Utah Division of Oil, Gas, and Mining of a revision in your mining locations on Asphalt Ridge, Uintah County. Please remember that your State leases require notification to the Utah Division of State Lands and Forestry at least 60 days prior to commencing any surface disturbance upon the lands. We require that an approved mining or reclamation plan be obtained and that a satisfactory reclamation bond be posted with this office.

You may not commence any mining of the State lands unless these requirements have been met.

Sincerely,

JOHN T. BLAKE
MINERAL RESOURCES SPECIALIST
